Valentines Party at 29 Pine

On February 11th the Chippewa Valley Amateur Radio Club, held it's annual Valentines Party. With low lights, good food and chocolates sprinkled at the tables, great conversation was abundant.

The ice breaker question was asked of all the gentleman, how did you propose to your XYL. The answers were amazing, and the ladies had a chance to confirm the response.

After dinner, the Chi-Hi Harmonics performed for us. The crew was scaled down, because of other commitments. But

the show went on, with a wonderful melody of songs and solo's. A great big THANK YOU to Mr. Buckles and his team.

Trivia answer

Niagara Radio Club. Look up the call, it was on a QSL in the movie
